

PORTRAITURE PRICE SHEET
EQUESTRIAN ARTIST LAUREN SALAS
equestrianartistlauren.com (858) 519-7908 equestrianartistlauren@gmail.com

Thank you for your interest in commissioning a piece of artwork. I like to work closely with my clients as to create a piece of art that brings out the unique character of their animals and captures the look and feel envisioned. There are multiple mediums and sizes from which to choose, and if you have any questions please don't hesitate to ask!

Please note that price estimates can vary based on canvas size (there are many more sizes and shapes than noted here), number of animals in the portrait, and background detail (see below). This sheet is to give a general idea of prices, and I encourage my clients to discuss their vision of the artwork with me at length.

In addition, the quality of the reference image is paramount. It is highly recommended that I come to photograph the animal unless you have a specific image you would like referenced. If you are providing your own reference image please try to send the highest resolution possible with good lighting and clear facial features. I am available for pre-portrait photo shoots; contact me to see when I will be in your area next to schedule a shoot.

Please note that 50% of the total piece (retainer) plus the pre portrait photo shoot fee is required to start the original piece. The final 50% is due upon completion of the piece. Payment can be made in cash, by check, or through Venmo or PayPal (for credit card transactions on PayPal I charge a 3% service fee).
